

Supplier Capability Assessment

Section 3: Certificate of Liability Insurance

Section 3: Certificate of Liability Insurance

Vendors that provide on-site services to Collins Machine Works are required to submit their Certificate(s) of Liability Insurance issued by their respective underwriter(s) for the current period and then after every renewal.

Please have the "Certificate Holder" designated as follows:

*Artcraft Fabricators T/A Collins Machine Works
ATTN: Purchasing Department
2707 Syer Rd
Portsmouth, VA, 23707*

In addition, in the "Remarks" column we require that the contracted party shall name Artcraft Fabricators et al as an additional Insured to your policy, to include completed operations. Each certificate shall have a copy of the endorsement attached. Lastly, vendors that provide services onboard a vessel, pierside, or at a shipyard are required to have United Shipyard, Longshoreman, and Harborworkers (USL&H) insurance. This must be included on the provided insurance certificate.
